

INDEPENDENT

Our Aim

Provide a free newsletter to motorcycle enthusiasts on the Fraser Coast including current rides and events as well as ride and pub reviews and photos of recent rides/events. Poker run and other event flyers can be published in this newsletter at no charge upon request by e-mailing details to biteme@eatmyshorts.com.au

The advertising of your business or “for sale” items in this newsletter or on our website will attract a small charge to be donated to our main charity - Spina Bifida Hydrocephalus Qld. For the website and newsletter to be a success, we will rely on news stories and contributions from other groups and individuals. Information including ride events, biker friendly businesses/pubs, camping and other useful information can be e-mailed or posted to us.

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by “committees” of clubs/associations. Independent Riders have a charitable focus but as true ‘Independents’ we have no President, Secretary or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and facebook page and one person chosen to be our Public Relations Officer (Lizzy Walker). The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of “The Independent Rider”. Those who believe in the “Independent” concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Spina Bifida Hydrocephalus Qld.

Where possible, we will assist other groups/clubs by providing their promotional merchandise including banners and stickers.

E-mail us for details biteme@eatmyshorts.com.au or miket60@bigpond.net.au

Our Fraser Coast

So what area is The Fraser Coast?

The million dollar question. We see The Fraser Coast as north past Bundaberg, south around Gympie, east around Tin Can/Rainbow Beach and west until we get sick of riding. Others may have a different opinion but we organize rides all over this wide, brown land.

If you have a ride/event let us know and it will go in the next addition of this newsletter. If you know of good pubs, camping or have some great photos/stories, e-mail Michael at biteme@eatmyshorts.com.au for inclusion in the next monthly newsletter. Visit our website www.eatmyshorts.com.au for more information on what we get up to or to visit our on-line store. Lots of great merchandise for bikers and enthusiasts. The variety of apparel, jewelry and handy gadgets continues to grow. Money raised from these items goes to charity so check it out.....It is all for a good cause.

Picture (Left) is Lizzie with Julie, Kerran and Lea. Lizzie had been feeling down after a recent bike accident and was encouraged to come into The Aussie to socialise with friends.

When she arrived a number of people had bought her in gifts, flowers etc off their own bat. It was a bit too much for our Lizzie who shed a few tears. These are times when it shows that those involved in the social motorbike scene don't need prompting when it comes to looking after one of our own. ☺

Don't follow my footsteps. I run into walls.

My wife was dying. I was by her bedside. She said in a tired voice, "Theres something I must confess."
 "Shhh" I said, "theres nothing to confess. Everythings alright."
 "No i must die in peace. I had s*x with your brother, your best friend, his best friend and your father!"
 "I know," I whispered "Thats why I poisoned you, now close your eyes!!"

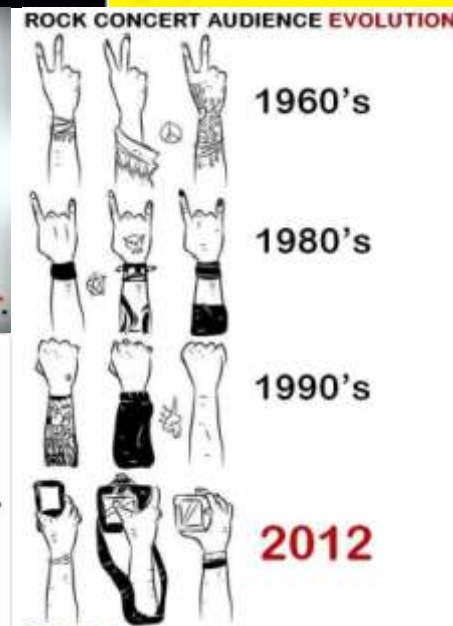

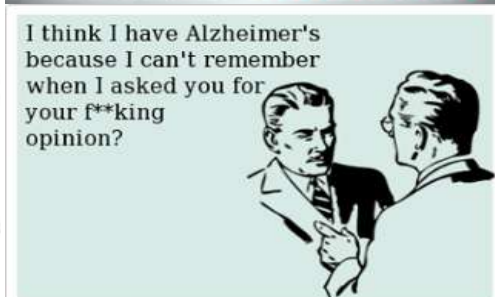

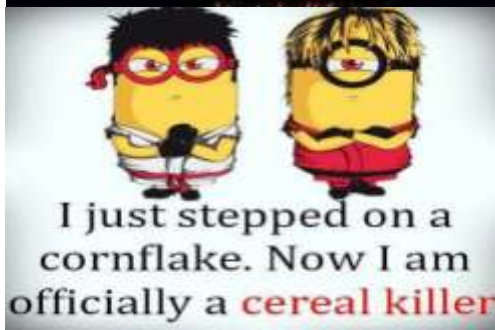

Some of the most sick and twisted people I know are the ones I am proud to call my friends.

Teacher: "What comes after 69?"
 Student: "Mouthwash."
 Teacher: "Get out."

How to survive various animal attacks

 Bears: Roll into a ball and start rolling towards it threateningly.	 Sharks: Boop it on the nose. If this doesn't work, boop it in the dick.	 Wolves: Throw a stick or something. Or tell it to sit. Never seen a wolf actually.
 Geese: Your time has come. There is no way out.	 Wasps: Apparently this wasp is the size of a goose so you're fucked.	 Snake: According to Disney's Robin Hood, turn it into a balloon.
 Spiders: Just set everything on fire. Everything. Even you.	 Crocodiles: Fill it with clocks. Captain Hook does that and survives for a bit.	 Cats: Can be punted up to 20m in extreme situations.

JIMMY JAMES

WANT A COMPLETE NIGHT OF OLD TIME ROCK & ROLL? GIGS 4-6 HOURS

Solo artist and professional Musician for over 40 years, working with some of the top musicians both here in Australia, the United States and across Europe. The preferred entertainer of Independent Riders Australia and avid supporter.

With over 4000 songs Jimmy has the music to suit ANY function, from Weddings through to Motorcycle Events and other Charitable Functions. From Bee Gees to Pink Floyd, from Black Sabbath to Deep Purple, all the Aussie hits, all 60's and 70's, dinner music or heavy rock.

After playing our type of music, almost non stop for 8 1/2 hours at a recent charity event, we knew we had found the ideal entertainer for future events. It is not often that one finds an entertainer who has the experience, versatility, integrity and energy of Jimmy James. As a social group we rely heavily on our entertainment to help make our events a success, with this in mind we recommend Jimmy James.
