# INDEPENDENT

## Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to [biteme@eatmyshorts.com.au](mailto:biteme@eatmyshorts.com.au)

The advertising of your business or "for sale" items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

## About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by "committees" of clubs/associations. Independent Riders have a charitable focus but as true 'Independents' we have no President, Secretary, Founding members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of "The Independent Rider". Those who believe in the "Independent" concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Spina Bifida Hydrocephalus QLD.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe a united co-op of bikers not only has greater buying power but also the ability to provide positive direction within our community.

## Our Fraser Coast

## So what area is The Fraser Coast?

The million dollar question. We see The Fraser Coast as north past Bundaberg, south around Gympie, east around Tin Can/Rainbow Beach and west until we get sick of riding. Others may have a different opinion but we organize rides all over this wide, brown land.

If you have a ride/event let us know and it will go in the next addition of this newsletter. If you know of good pubs, camping or have some great photos/stories, e-mail Michael at [biteme@eatmyshorts.com.au](mailto:biteme@eatmyshorts.com.au) for inclusion in the next monthly newsletter. Visit our website [www.eatmyshorts.com.au](http://www.eatmyshorts.com.au) for more information on what we get up to or to visit our on-line store. Lots of great merchandise for bikers and enthusiasts. The variety of apparel, jewelry and handy gadgets continues to grow. Money raised from these items goes to charity so check it out.....It is all for a good cause.

Solo artist and professional Musician for over 40 years, working with some of the top musicians both here in Australia, the United States and across Europe. The preferred entertainer of Independent Riders Australia and avid supporter.

With over 4000 songs Jimmy has the music to suit ANY function, from Weddings through to Motorcycle Events and other Charitable Functions. From Bee Gees to Pink Floyd, from Black Sabbath to Deep Purple, all the Aussie hits, all 60's and 70's, dinner music or heavy rock.

*After playing our type of music, almost non stop for 8 1/2 hours at a recent charity event, we knew we had found the ideal entertainer for future events. It is not often that one finds an entertainer who has the experience, versatility, integrity and energy of Jimmy James. As a social group we rely heavily on our entertainment to help make our events a success, with this in mind we recommend Jimmy James.*
