

INDEPENDENT

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or “for sale” items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by “committees” of clubs/associations. Independent Riders have a charitable focus but as true ‘Independents’ we have no President, Secretary, Founding members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of “The Independent Rider”. Those who believe in the “Independent” concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Network and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe a united co-op of bikers not only has greater buying power but also the ability to provide positive direction within our community.

These two categories cannot work directly with Children or represent M.A.C.E. without a full member being present
3. To become a full member will take a minimum of (12) twelve months. This period is so as you can learn our policies , procedures and rules of engagement with children.

There are two ways.

- (1) you own or have access to a motorbike capable of highway speeds
- (2) a Full member takes you on as a pillion on his or her bike . If you think M.A.C.E SMC is something that you would like to do please contact us Via Facebook or Email [.mailto:barra@maceaustralia.com](mailto:barra@maceaustralia.com)

FUMES OF ROCK

WITH

JIMMY JAMES

ALL BIKERS FUNCTIONS CATERED FOR. GIGS 4-6 HOURS

Solo artist and professional Musician for over 40 years, working with some of the top musicians both here in Australia, the United States and across Europe. The preferred entertainer of Independent Riders Australia and avid supporter.

With over 4000 songs Jimmy has the music to suit ANY function, from Weddings through to Motorcycle Events and other Charitable Functions. From Bee Gees to Pink Floyd, from Black Sabbath to Deep Purple, all the Aussie hits, all 60's and 70's, dinner music or heavy rock.

After playing our type of music, almost non stop for 8 1/2 hours at a recent charity event, we knew we had found the ideal entertainer for future events. It is not often that one finds an entertainer who has the experience, versatility, integrity and energy of Jimmy James. As a social group we rely heavily on our entertainment to help make our events a success, with this in mind we recommend Jimmy James.

DISTINCTION BETWEEN GUTS AND BALLS

To those of you who are nit-pickers about the meaning of words: there is a medical distinction between Guts and Balls.. We've all heard about people having Guts or Balls, but do you really know the difference between them?

In an effort to keep you informed, here are the definitions:

GUTS - is arriving home late, after a night out with the boys, being met by your wife with a broom, and having the Guts to ask, are you still cleaning, or are you flying somewhere?

BALLS - is coming home late after a night out with the boys, smelling of perfume and beer, with lipstick on your collar, and slapping your wife on the bottom and having the Balls to say, you're next, chubby.

I hope this clears up any confusion on the definitions.

Medically speaking, there is no difference in the outcome. Both result in death.

I'M NOT SAYING YOU NEED A PUBE TRIMMER, BUT WHEN YOU GET AN ERECTION IT LOOKS LIKE PINOCCHIO HAS JOINED THE TALIBAN

HOW CAN YOU TELL A TOUGH LESBIAN BAR? EVEN THE POOL TABLE HAS NO BALLS.

I'M NOT A SEX ADDICT! I HAVE RESTLESS GROIN SYNDROME

A recent study has said that 29% of pet owners sleep with their pets on the bed. I tried it..my fish died. :(
