

INDEPENDENT

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or "for sale" items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by "committees" of clubs/associations. Independent Riders have a charitable focus but as true 'Independents' we have no President, Secretary, Founding members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of "The Independent Rider". Those who believe in the "Independent" concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Network and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe a united co-op of bikers not only has greater buying power but also the ability to provide positive direction within our community.

OUR COMMUNITY

Independent Riders in partnership with other groups and community minded organisations are in the process of developing a website with linked Facebook page that promotes achievements within our community.

The website located at: www.ourcommunityfrasercoast.com.au is still under construction but will include the following:

- ✚ Achievements/successes of social groups and Not for Profit organisations including social motorcycle and car groups
- ✚ Promotion of organisations or businesses that demonstrate a commitment to our community
- ✚ Promotion of local small business
- ✚ Recognition of individual achievements as well as the achievements of our youth
- ✚ Promotion of local events that support local causes

There has been a bit of delay with the site however large parts of LDAT workshops pages are running, with MACE and Fraser Coast Family Network to be available soon. Image below of the opening page of the site.

INDEPENDENT RIDERS WORKSHOPS

Volunteers have been busy at the new Independent Riders Workshops with the official opening on the 7th March 2019. Being a big success. Dignitaries on the day include Fraser Coast Mayor George Seymour, State MP Bruce Saunders and Federal MP Llew O'Brien. A visit a week or so later by Deputy Prime Minister Michael McCormack, where it was announced that \$20,000 would be given to the workshops to assist in purchasing of more tools and computers.

Pictures on the left are from the opening day.

Shane Muller from The Bikers Brew is kindly supporting this venture. Bikers Brew is on the corner of Walker and Ferry St's Maryborough, (the old Shamrock). If you are in town pop in and say 'hi', check out the bikes, old and new, or enjoy a coffee, drink, snack or meal. By doing this we support local business who support us.

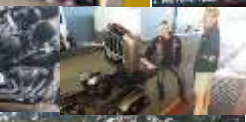

Contact Sean on 0408 193750 or Kath 0487 005141 for more details on the workshops

We have moved! Now located at 276 Kent Street Maryborough with workshops opening their doors March 2019. Motorised scooters can be custom made and ordered, ask Sean how/costs. It is believed that with support. these workshops will provide opportunities of employment for our youth.

New Workshops and store front – 276 Kent Street Maryborough 4650

A silver Lotus Evija electric sports car is shown from a rear three-quarter view. The car's distinctive gull-wing doors are open, revealing the interior. It is parked on a grassy area in front of a building with a dark roof. The car has a sleek, aerodynamic design with large air vents on the rear and side.

<p>The ride was only supported by two Independent Riders but as Kevin and I were going whether we were supported or not to have Meagan and Robbie along was a real bonus for us.</p> <p>The fun we had was really good and as they took their car we were able to put our gear in there.</p> <p>Mundubbera was a wonderful experience just a small Queensland Outback School but they are doing so much with the students. As the photo shows lots of happy smiling faces. Receiving their Posters and Brochures and Cheque was certainly well received. Megan and myself went on a walkabout around Munduberra and found some interesting sights not missing the huge s/flowers.</p> <p>Emerald was a great stay and Darryl our Host at Emerald Motor Inn was extremely helpful steering us to a great feed. Not forgetting my \$230 win on pokies.</p> <p>Barcardine was the best fun being at the Dawn Service and listening to the New Castle Choir and Orchestra sing was lovely but then they never thought the Kookuburras would come also. so it turned out to be quite the competition . The New Castle students have been on the road in two buses for the past two weeks.</p> <p>Mitchell as another amazing visit speaking to the teachers as we were early only a few students but the letters were ready.</p> <p>Receiving their letters and Posters and the cheque was certainly accepted whole heartedly and we have been informed the school which has now 146 The Students are having a camping week and our donation will be used to ensure all students can attend.</p> <p>Our Road trip was great fun and the characters we met made each day an adventure. HELPING WITH CARE PACKAGES

What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2019. Depending on goods collected we hope to send a further 20 care packages every couple of months during 2018/19 and a further 80 packages from proceeds of our 2019 Poker Run.

We currently have collection bins at Wilcox Bikes, Alice St Maryborough, Under the Gun Tattoos, Kent St Maryborough The Tinana Hotel Tinana and Fraser Coast Family Network Adelaide St Maryborough, with more added in Hervey Bay shortly. Goods and donations can be dropped off at these locations, products aren't expensive but will mean a lot to our troops.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
