

INDEPENDENT

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or “for sale” items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by “committees” of clubs/associations. Independent Riders have a charitable focus but as true ‘Independents’ we have no President, Secretary, Founding members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of “The Independent Rider”. Those who believe in the “Independent” concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Network and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe that as a united force, bikers have the ability to provide positive direction within our community and be the community leaders we so desperately need. E-mail us for details info@eatmyshorts.com.au or miket60@bigpond.net.au

Community Car/Bike Parade 24th August 2019

Independent Riders prides itself on its ability to work with and share resources/information with other organisations and community groups. Where we believe that participation in an event would conflict with our standards of community spirit, we are compelled to withdraw our support.

Saturday 24th of August. **Mark this on your calendar.** To show those within our community that community spirit is alive and well on the Fraser Coast; Independent Riders will be partnering with the Maryborough Ford Club and other community groups to run a parade through parts of Maryborough followed by a ride/cruise to Biggenden to support Ruff and Tuff car/bike show. All proceeds from the parade will go to Maryborough Hospital Axillary. Proceeds from the Biggenden event will also go to the Auxiliary. Flyer and mud map with this newsletter

OUR COMMUNITY FRASER COAST INC IA58583

Our Community Fraser Coast Inc IA58583 (OCFC), is a Not for Profit organisation and an initiative of Independent Riders Australia with support from other community minded groups here on the Fraser Coast. OCFC provides several services to the local community including free advertising and promotion on their website, for like, minded groups as well as assistance promoting charitable events.

The main focus however of OCFC is to work with other local organisations/institutions to promote and recognise the achievements of our disadvantaged youth disadvantaged through the running of events where the talents of participants can be used. The first event held in 2018 with Fraser Coast Family Network used an art competition with recognition of all participants. Prizes in this instance were the printing on tee-shirts of the winning participant on to tee-shirts they would wear at an upcoming event, all participants were also given certificates.

While in this instance an art competition was used, any one of the arts could be used including dance and drama. The main focus is relevance to each organization and the children and care givers there. In 2019 a similar competition will be run with the Family Network with similar prizes however additional amount of prize money will be added with participants with guidance from care givers, will decide where that money will be spent, within their organisations.

At this stage funding is limited however the aim is to hold 2-3 similar events with other organisations, here on the Fraser Coast. If you feel your organisation may benefit from this initiative contact either Michael 0409 575294 or Tammy 0439 649456.

The website unfortunately is still a work in progress however will continue to work on this in the coming months. The website located at: www.ourcommunityfrasercoast.com.au is still under construction.

INDEPENDENT RIDERS WORKSHOPS IA58897

Cherry Red Indian Replica

Last August Gillian Kerr lost her husband Robbie to a horrific accident. She approached us at the workshop and enquired about a "Tribute Bike" for Robbie.

With an original 1920's seat and a photo of the design she wanted, thoughts began to make this loving gesture come to life. Starting with a frame that was cut, welded, sanded and modifications made, our biggest hurdle was the white wall tyres for the bike. Hours turned into days trying to find somewhere in Australia to get them. With no luck a phone call to Gillian, she sourced them from the USA.

Meanwhile the seat was re-covered, the stickers ordered and the tyres arrived a short time later. The students were still busy working on the bike when Gillian came with the tyres. This beautiful bike was taking shape. Pulled apart she was sanded down again and had been prepped for painting. The students worked hard to get her sanded and undercoated. The painting began, piece by piece this bike started to look like the picture.

Once the paint was dry, she was put back together, engine mounted and put in the shop window to be displayed while waiting for Gillian to return from her holiday. We cannot wait for Gillian to see what we have crafted for her and hope that she has many years of enjoyment, happiness and pleasure from what she started. From what started as an old neglected bike frame and a seat from New Zealand that is now the beautiful Cherry Red Indian replica that she is today, see image with this article. *(Article by Cindy Huber)*

Contact Sean on 0408 193750 or Kath 0487 005141 for more details on the workshops

Located at 276 Kent Street Maryborough. Motorised scooters can be custom made and ordered, ask Sean how/costs. It is believed that with support, these workshops will provide opportunities of employment for our youth.

M.A.C.E. will assist with that
2. You must attend at least 3 meetings and help at awareness days or functions. At this stage a Full Member will become your sponsor. You will become an Associate member and you can stay an Associate or stay as a supporter as long as you like. These two categories cannot work directly with Children or represent M.A.C.E. without a full member being present
3. To become a full member will take a minimum of (12) twelve months. This period is so as you can learn our policies , procedures and rules of engagement with children.

There are two ways.

- (1) you own or have access to a motorbike capable of highway speeds
- (2) a Full member takes you on as a pillion on his or her bike . If you think M.A.C.E SMC is something that you would like to do please contact us Via Facebook or Email [.mailto:barra@maceaustralia.com](mailto:barra@maceaustralia.com)

My mate started having sex with twins, so I asked him how do you tell them apart? He said it's easy, Jenny has long straight black hair and Trevor has a cock!

..... Something to Ponder

Australia has become a place where entertainers and professional athletes are mistaken for people of importance..

I've Needed a Doctor..

I've Needed a Teacher..

I NEED farmers every day..

I have NEEDED an auto mechanic, a plumber, a house painter and a lot of other everyday people.

But I have NEVER, not even once, NEEDED a pro athlete, a media personality, or a Hollywood entertainer for ANYTHING!

My doctor said now that I'm older I need to install a bar in the shower

FACT

A RECENT STUDY FOUND THE AVERAGE AUSTRALIAN WALKS 900 MILES A YEAR. ANOTHER STUDY FOUND AUSTRALIANS DRINK, ON AVERAGE, 22 GALLONS OF BEER EACH YEAR.

THAT MEANS, ON AVERAGE, AUSTRALIANS GET AROUND 41 MILES PER GALLON!

I'M PROUD TO BE AN AUSTRALIAN!

Sorry I took my pants off at your gender reveal party. I thought we were all participating. My bad.

HELPING WITH CARE PACKAGES

What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2019. Depending on goods collected we hope to send a further 20 care packages every couple of months during 2018/19 and a further 80 packages from proceeds of our 2019 Poker Run.

We currently have collection bins at Wilcox Bikes, Alice St Maryborough, Under the Gun Tattoos, Kent St Maryborough The Tinana Hotel Tinana and Fraser Coast Family Network Adelaide St Maryborough, with more added in Hervey Bay shortly. Goods and donations can be dropped off at these locations, products aren't expensive but will mean a lot to our troops.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
