

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or "for sale" items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by "committees" of clubs/associations. Independent Riders have a charitable focus but as true 'Independents' we have no President, Secretary, Founding members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of "The Independent Rider". Those who believe in the "Independent" concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Networks and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe that as a united force, bikers have the ability to provide positive direction within our community and be the leaders our community so desperately need. E-mail us for details info@eatmyshorts.com.au or miket60@bigpond.net.au

OUR COMMUNITY FRASER COAST INC IA58583

Our Community Fraser Coast Inc IA58583 (OCFC), is a Not for Profit organisation and an initiative of Independent Riders Australia with support from other community minded groups here on the Fraser Coast. OCFC provides several services to the local community including free advertising and promotion on their website, for like, minded groups as well as assistance promoting charitable events.

The main focus however of OCFC is to work with other local organisations/institutions to promote and recognise the achievements of our disadvantaged and disabled. Since 2018 we have hosted art competitions with the 2019 winner, Caroline, becoming our Disability Ambassador for 2020

2020 Disability Art Exhibition. We are hoping this event will coincide with disability week later in the year. This project plans to run an art exhibition that is also coordinated by those participating; under the watchful eye of a local artist and carers. The exhibition will be open to those

with disabilities across all organisations. More details soon.

Moving into 2020 we have several projects that we believe will provide opportunities for those with disabilities, to be actively involved. These projects include:

- Fraser Coast Toy Run Annual Art Competition
- Exhibition of works for those with disabilities
- Develop small business model for those with disabilities.

With all this going on our website unfortunately is still a work in progress however will continue to work on this in the coming months. The website located at: www.ourcommunityfrasercoast.com.au is still under construction.

During January the workshops played host to clients of Fraser Coast Family Networks as part of their holiday care program. While it was a full on day their two days with us were a delight and look forward to a return visit next holiday break.

VOLUNTEERS NEEDED

Volunteers are essential to the success of the workshops and our ability to help and guide our youth towards a positive future. If you have spare time, want to give back to our community while providing our youth direction from your learned skills and experiences; then do we have a deal for you.

We are in need of volunteers who will be trained as mentors for our students, skills in any metal craft, including welding, bicycle mechanics, small motors or similar then please contact Eddie on 0400 488244. In return we offer a friendly environment, where your experience can make a difference and training is provided.

A Positive Notice Bluecard is a legislative requirement for our volunteers however we can organise this for you and there is no cost.

Located at 276 Kent Street Maryborough. Motorised scooters can be custom made and ordered, ask Eddie how/costs etc. It is believed that with support. these workshops will provide opportunities of employment for local youth.

New Workshops and store front – 276 Kent Street Maryborough 4650

Here at Independent Riders Workshops, we are pleased to announce that we are open to teach Reading and Writing to all ages including adults. It has been brought to our attention that many people in the Fraser Coast Region are struggling with this skill. After talking to our teacher, we have decided to set up classes that will be available every day to those who need help. Please don't be shy, come in and give it a go. We are here for our community.

HELPING WITH CARE PACKAGES

What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2019. Depending on goods collected we hope to send a further 20 care packages every couple of months during 2018/19 and a further 80 packages from proceeds of our 2019 Poker Run.

We currently have collection bins at Independent Riders Workshops, 276 Kent St Maryborough, Under the Gun Tattoos, Kent St Maryborough, Fraser Coast Family Network Adelaide St Maryborough, with more added in Hervey Bay shortly. Goods and donations can be dropped off at these locations, products aren't expensive but will mean a lot to our troops.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
