

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or “for sale” items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by “committees” of clubs/associations. Independent Riders have a charitable focus but as true ‘Independents’ we have no President, Secretary, Founding Members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of “The Independent Rider”. Those who believe in the “Independent” concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Networks and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe that as a united force, bikers have the ability to provide positive direction within our community and be the leaders our community so desperately need. E-mail us for details info@eatmyshorts.com.au or miket60@bigpond.net.au

OUR COMMUNITY FRASER COAST INC IA58583

Our Community Fraser Coast Inc IA58583 (OCFC), is a Not for Profit organisation and an initiative of Independent Riders Australia along with the support of other community minded groups on the Fraser Coast. OCFC provides several services to the local community including free advertising and promotion on their website, for like, minded groups as well as assistance promoting charitable events.

2020 Disability Art Competition. Our art competition commenced last month with entries to be in no later than the 29th of October. This year we have had an excellent response and are expecting some excellent masterpieces. The winner for this year's event will become our 2021 Disability Ambassador as

well as having their design on the front of their toy run shirt. All participants will also receive a copy of the shirt with 1st -3rd receiving Gold, Silver and Bronze medals. All participants will also receive a framed certificate of participation.

Last year we added an additional \$500 that participants could decide how their organisation could spend it. This year we will again have the additional \$500 however participants are to decide what local charity this money should be given to. Where possible we would work with Family Network and organization, so they could present the money personally, or the Disability Ambassador could.

VR Headset Trialing. Trialing of virtual reality headsets began in July this year with plans to make selected programs available by mid to late August 2020. At this stage Fraser Coast Family Network have 6 headsets with

one more to be made available by the end of October 2020. Other organisations can utilise this service through Family networks. On the 6th of

November Independent Riders and Family Networks will showcase the VR units and the Disability Expo, a VR monthly update will also commence in the next week or two and be included from October in our monthly newsletter.

With all this going on our website unfortunately is still a work in progress however will continue to work on this in the coming months. The website is located at: www.ourcommunityfrasercoast.com.au is still under construction.

Amounts above will change between Sept-Dec each year. Independent Riders understand this is an important time and as such proceeds from the Fraser Coast Toy Run are passed on to benefactors as the money is raised. In previous years around \$3000 is passed on prior to the event. This amount comes from the proceeds of the Toy Run Stall that runs from September to December each year at Station Square. Final amounts will include cash, goods and services

HELPING WITH CARE PACKAGES

What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2020. In 2021 we are hoping to be able to give to an organization in Wide Bay that provides care to our returned service people.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
