

INDEPENDENT

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or "for sale" items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by "committees" of clubs/associations. Independent Riders have a charitable focus but as true 'Independents' we have no President, Secretary, Founding Members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of "The Independent Rider". Those who believe in the "Independent" concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Networks and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe that as a united force, bikers have the ability to provide positive direction within our community and be the leaders our community so desperately need. E-mail us for details info@eatmyshorts.com.au

2021 Disability Art Competition. The 201 art competition was won by Sioben Ogden from Fraser Coast Family Networks with his design becoming part of a special custom Toy Run shirt given to all competition competitors and sponsors as well as available at cost to families and supporters of this event.

Sioben will be our Disability Ambassador for 2021-2022 and will be present with her certificate and badge at the end of this year's toy run. We are hoping that the out- going Disability Ambassador will be able to present Sioben with her prize. Second place winner went to Kylie Stackman and third went to Raewyn Clark. The Disability Ambassadors are, able to attend the

start of other Independent Riders events however COVID issues have prevented much occurring this year. A special Disability Ambassador banner was produced for 2021 and aim at having one available for 2022 however this may depend on supply. Fraser Coast Regional Council have indicated that they will support the Disability Ambassadors event in early 2022 where Sioben will be able to present sponsors with a copy of her shirt.

In 2022 The Disability Art Competition will be run differently than in previous years. Funding for the event will still be funded by the Fraser Coast Toy Run, however the event will be open to all organisations that have disabled clients. Each interested organisations will need to registered for the event, there will be no cost for this. Once registered templates will be made available to that organization or if they wish may use their own. More details early in 2022, so watch this space 😊

HELPING WITH CARE PACKAGES

What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2020. In 2021 we were able to give to an organisation on the Fraser Coast funds to assist them to continue supporting our returned service people. In 2022 we would like to continue to support those that defended our countries beliefs.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
