

# INDEPENDENT

## Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to [info@eatmyshorts.com.au](mailto:info@eatmyshorts.com.au)

The advertising of your business or "for sale" items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

## About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by "committees" of clubs/associations. Independent Riders have a charitable focus but as true 'Independents' we have no President, Secretary, Founding Members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of "The Independent Rider". Those who believe in the "Independent" concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Networks and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe that as a united force, bikers have the ability to provide positive direction within our community and be the leaders our community so desperately need. E-mail us for details [info@eatmyshorts.com.au](mailto:info@eatmyshorts.com.au)

Our Community Fraser Coast Inc IA58583 (OCFC), is a Not for Profit organisation and an initiative of Independent Riders Australia along with the support of other community minded groups on the Fraser Coast. OCFC provides several services to the local community including free advertising and promotion on their website, for like, minded groups as well as assistance promoting charitable events.

**2020 Disability Art Competition.** The 2020 art competition was won by Jason from Fraser Coast Family Networks with his design becoming part of a special custom Toy Run shirt given to all competition competitors and sponsors as well as available at cost to families and supporters of this event.

Jason is our Disability Ambassador for 2020-2021 and will hopefully present the 2022 ambassador with their certificate and prize on the 5<sup>th</sup> of December 2021. Disability Ambassadors are able to attend the start of other Independent Riders events however COVID issues have prevented much occurring this year. A special Disability Ambassador banner was produced for 2021 and aim at having one available for 2022. This banner can be used at other events that

support inclusion here on the Fraser Coast. Pictures below of Jason custom Toy Run shirt and of the Disability Ambassador Banner.

We are in need of volunteers who will be trained as mentors for our students, skills in any metal craft, including welding, bicycle mechanics, small motors or similar then please contact Eddie on 0400 488244. Many people on the Fraser Coast Region are struggling with reading, writing and maths. Independent Riders Workshops, offer literacy and numeracy classes, open to all ages including adults. We have a teacher who is available most days to run classes. Don't be shy, come in and give it a go. We are here for our community.

## **WE ARE LOOKING FOR SPONSORS**

Independent Riders Workshops runs largely unfunded by government funds, with the majority of money raised by the workshop being by the sale and repair of bicycles. To help the workshop to continue its good work we are seeking sponsorship from businesses, organisations and individuals.

In return, sponsors can have their logo placed on the wall in the workshop, on our website and have pamphlets and cards at the front desk. Sponsorship would be annual with options to have logo's on workshop shirts. **Need more information, phone Eddie 0400 488244.**

## HOW TO SUPPORT MACE

### Message from MACE Wide Bay Committee

To all that are thinking of or have thought of becoming a MACE member ,Supporter or a helper.

1. You must be eligible for a Positive Notice blue card .  
M.A.C.E. will assist with that
2. You must attend at least 3 meetings and help at awareness days or functions. At this stage a Full Member will become your sponsor. You will become an Associate member and you can stay an Associate or stay as a supporter as long as you like. These two categories cannot work directly with Children or represent M.A.C.E. without a full member being present
3. To become a full member will take a minimum of (12) twelve months. This period is so as you can learn our policies , procedures and rules of engagement with children.

#### **There are two ways.**

- (1) you own or have access to a motorbike capable of highway speeds
- (2) a Full member takes you on as a pillion on his or her bike . If you think M.A.C.E SMC is something that you would like to do please contact us Via Facebook or Email <mailto:barra@maceaustralia.com>

**If you think you are smarter than the previous generation...50 years ago the owners manual of a car showed you how to adjust the valves. Today it warns you not to drink the contents of the battery.**

## **FRASER COAST TOY RUN 2021**

This year's Fraser Coast Toy Run is scheduled for Sunday 5<sup>th</sup> December 2021, departing again from the Brolga Theatre in Maryborough. As like previous years all proceeds will go to local community groups and those in need. As part of the lead up to the toy run, we run stalls at various locations across the Fraser Coast.

Below are the dates for our stalls at Station Square Maryborough, with all stalls located at the bottle shop end of the shopping centre. Times will be 8.30am, until around 2.30-3.00pm. As like previous years merchandise, toy run raffles, provide information on the event including benefactors and will be able to accept toy donations etc as well.

Last year's major prize was a laptop, this year is still undecided but looking at something different.

**TOY RUN UPDATE 2021.** This year we are we will continue to support our friends from MACE and Family Networks however with the struggle felt by many within our community from COVID-19 we feel it important that we spread proceeds to others in need.

This will include more support to Act for Kids, with a more detailed list shortly of who we hope to help with this year's Fraser Coast Toy Run. This year we will also support the businesses that have supported the Fraser Coast Toy Run as well as contribute to our community growth. This year more than ever, this event is about community, working together for those in need, irrespective of beliefs and difference.

We would also like to acknowledge Conrodders Hervey Bay for their support of the 2020 Fraser Coast Toy Run and offer our most sincere apology for the omission from supporter credits in 2020.

Thank you for your support. Independent Riders Australia

# HELPING WITH CARE PACKAGES

## What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2020. In 2021 we were able to give to an organisation on the Fraser Coast funds to assist them to continue supporting our returned service people. In 2022 we would like to continue to support those that defended our countries beliefs.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
